Allowance

1. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "a side panel extending substantially perpendicular relative to the front panel in the rear occupant area; and a pillar clamp supporting the front panel and including a rear clamping member and a front clamping member coupled to the rear clamping member, the rear claming member and the front clamping member being configured for positioning on opposing sides of a pillar of the vehicle for releasably securing the front panel to the pillar" in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
